*****Students are to arrive at least 30 minutes prior to their scheduled rehearsal time.** We do our best to stay on schedule, so please plan accordingly. Please send your dancers with all of their costumes on hangers, touchup makeup and extra hair ties & bobbi pins. If your dancers are only in one dance, they may come dressed in costume, but please be careful. Sending your dancers with a baggy button up shirt is advised so that they can cover up their costumes while waiting or touching up hair/makeup. We want to make sure that each dancer is prepared. For some, this will be a long day. Please plan to pack healthy snacks & water. Dance & Company will have snacks & water for sale, if this is easier. Parents - you are welcome to attend rehearsal, but this is not a time to bring outside guests. You are welcome to bring your cameras and recording devices, but note that these devices are **NOT** permitted during the Production.

*****TIGHTS:** Please do NOT wear your show tights to dress rehearsal. We do not want any stains or snags on Production Day as they will show up under the lights on stage. We recommend wearing an older pair that are still in good condition, or buying a spare set.

*****NOTE: This is NOT the order of the show*****
