

Wednesday, June 21st In-Studio Run-Through, 6-8pm

For dancers performing in the 12:30pm show on Sunday, June 25th

Location of In-Studio Run Through is at Dance & Company

Dancers are to arrive **20 minutes prior** to their "on stage" time, dressed in appropriate dance clothing with shoes respective to each dance. We are only asking for HAIR to be styled, including style changes between dances (if applicable to you) for this rehearsal. NO COSTUMES OR MAKEUP REQUIRED. Please do not wear your Production tights - we recommend wearing a rehearsal pair so as to keep your Production tights clean for Production Day!

Upon arrival, please find your classmates in Studio I (small studio) and wait to be called by Tonya, our stage manager to line up with your class. The purpose of this rehearsal is to practice our dances in real time as if it were the Production and to solve any last minute conflicts. Most classes will only run their dance once, unless there are any problems, so this rehearsal will move VERY quickly. It is critical that you are on time and ready to dance. All dancers must be warm, which is why we ask you to arrive 20 minutes prior your call time to stretch. This rehearsal is **MANDATORY** for all performers in the 12:30pm show on June 25th, 2017.
