*****Students are to arrive at least 20 minutes prior to their scheduled rehearsal time for this MANDATORY REHEARSAL.** We realize that your call time may interfere with your work schedules. We're hoping that with enough advanced notice, you are able to make arrangements for you and your dancers. We do our best to stay on schedule, so please plan accordingly. **This is a full dress rehearsal, so dancers SHOULD wear their costumes, hair & makeup. Please arrive with your dance shoes, respectful to your costume.** If your dancer has multiple dances/costumes, please pack them in a garment bag and make sure your dancers keep them organized during changes in their respective dressing rooms. Dressing rooms will be assigned at tech rehearsal so dancers can get used to where they will be on Production Day. Do not wear your Production tights! We recommend wearing a backup pair for this rehearsal so as to keep your Production tights clean for Production Day! For some, this will be a long day. Pack healthy snacks and lots of water! NO food/drink permitted inside theatre, only in dressing rooms.

Parents - you are welcome to attend rehearsal, but this is not a time to bring outside guests. If your children are not old enough to care for themselves during rehearsal, they must have a parent or guardian in the audience waiting for them as we will not have the staff to supervise young kids. You are welcome to bring your cameras and recording devices, but note that these devices are **NOT** permitted during the Production. Everyone must be off property by 8:45pm.

*****NOTE: This is NOT the order of the show*****
