***Students are to arrive at least 20 minutes prior to their scheduled picture time. Times are approximate - We do our best to stay on schedule, so please plan accordingly. Please send your dancers with all of their costumes on hangers, touchup makeup and extra hair ties & bobbi pins. If your dancers are only in one dance, they may come dressed in costume, but please be careful. Sending your dancers with a baggy button up shirt is advised so that they can cover up their costumes while waiting or touching up hair/makeup. ***TIGHTS: We ask that all dancers are wearing a clean, snag-free pair of Production tights (must be the tights required for your costume). If you ordered two pairs with your costume(s), that is great! If you didn't, please be aware that these same pair of tights will be worn on Production day and any stains/snags will show up under the lights on stage. If you'd like an additional pair, please let us know. We want to make sure that each dancer is prepared. For some, this will be a long day. Please plan to pack healthy snacks & water. Dance & Company will have snacks & water for sale, if this is easier. Picture day is mandatory for all dancers performing in our Production on June 25th. We use this day as a costume and makeup check just prior to Production and we will also be displaying printed copies of each class picture at the studio and on the Dance & Company Website. This year, we are contracted with B&R Photo, Inc. and they are fantastic! You will be able to order your photos the day of the show OR online after picture day. Thank you for your cooperation!

*****NOTE: This is NOT the order of the show*****
