Scheduling

Dancers are to arrive 20 minutes prior to their call time. Upon arrival, please find your classmates in Studio I (small studio) and wait to be called by Tonya, our stage manager to line up with your class.

The purpose of this rehearsal is to rehearse in real time, as if it were the Production. Most classes will only run their dance once, unless there are any problems, so this rehearsal will move VERY quickly. It is critical that you are on time and ready to dance. All dancers must be warm, which is why we ask you to arrive 20 minutes prior your call time to stretch.

Attire Requirements

Costumes are NOT required for this rehearsal. Please send your dancers in the following attire:

- **Combo Classes, Hip Hop & Musical Theatre:** Please come dressed as you would for class (tights, leotards, dresses, tutus, etc). Please do not wear your Production tights! We recommend wearing a backup pair for this rehearsal so your Production tights stay clean for Production Day! Please come prepared with the appropriate shoes for each dance, as seen in the "Hair/Shoe Requirements 2018" document.

- **Level I & Above:** You may also come dressed as you would for class, but we ask that you please wear **all black** clothing. If you are wearing tights, please do not wear your Production tights! We recommend wearing a backup pair for this rehearsal so your Production tights stay clean for Production Day! Please come prepared with the appropriate shoes for each dance, as seen in the "Hair/Shoe Requirements 2018" document.

Hair & Makeup Requirements

Hair must be up and out of your face, just like it would be for dance class. We are not requiring you to do your Production hair or makeup for this rehearsal.
