

Studio Policies/Procedures: Sept. 2018 – Aug. 2019

*** We require every family to have a credit or debit card on file, meaning you are automatically enrolled for auto-debit. Tuition will be processed on the 1st of every month. If you prefer to pay via cash or check, it must be done before the 1st of the month, otherwise your card on file will be auto charged. If your credit/debit card has declined, you will be notified immediately. If not remedied within 3 business days (1st offense), a \$15 late fee will be incurred. If after the 1st offense, a \$15 late fee will be incurred immediately after the decline. *We require 30 days notice to cancel your auto-debit via Jackrabbit. Without 30 days notice, we are not able to cancel auto-pay (credit/debit). We also require 30 days notice to drop classes. We can add classes at anytime; 30 days is not required to add classes to your schedule.**

Membership Fees – Membership fees will be assessed for all students upon registration and prorated based on registration date. The 2018-2019 membership fees are **\$30 per individual or \$50 per family** and full fees are assessed annually in September for all Dance & Co. members. Membership fees are not required to attend a class at the “drop-in” rate however, if attending at the “drop-in” rate, your dancer is not guaranteed a space on the roster.

Additional Fees – Dance & Company requires annual Production and costume fees for all students participating in our Production.

Dance & Company will not pro-rate tuition for the time that the studio is closed for the holidays, for days that you are sick, or for your family vacations. However, you are able to participate in make-up classes that coincide with your schedule and your skill level. If you choose to do this, classes must be made-up within 30 days of your missed class. Make-up classes are void in the following month if you haven’t paid that month’s tuition. If you decide to take time off, 50% of your tuition rate is due to hold your spot on the roster. Otherwise, you will be dropped from the class roster.

Arrival to class – Students should arrive to the studio a few minutes prior to scheduled class time dressed in proper code with hair tied back or in a ballet bun. If possible, avoid entering class when it is already in progress as it is disruptive to the teachers and students. Parents please note that students must be picked up from the studio directly after class. Dance & Company cannot be responsible for your child after their scheduled class times unless prior arrangements are made.

Please make sure your child’s dance shoes are marked with their names, as this will make it easier to identify misplaced items. See office management for lost items. We will donate “lost & found” items to The Goodwill at the end of each month.

Please be courteous of students in class when waiting/preparing for your class to begin, by keeping the noise level to a minimum.

Parent observation is only allowed through our studio lobby. We do not allow observation from inside the dance studios.

Students are required to sign-in for their classes each day. Your respective sign in sheet will be located at the reception desk before each class begins. We ask that parents pick up their children directly after class by coming into the studio lobby.

We ask that only water be consumed inside the dance studios. Certain food and drink items such as fast food, soda, juice, coffee, messy snacks, etc. will not be permitted for consumption inside Dance & Company. We do our best to support a healthy lifestyle at Dance & Company. Remember to stay hydrated and consume foods/snacks that will give you energy for your classes.

Questions? Concerns? Please email danceandcompany@gmail.com and allow 24 hours for a response or call the studio during business hours at either location. Visit our website at www.danceandcompany.net for a current class schedule.
