Scheduling

Dancers are to arrive 20 minutes prior to their call time. Upon arrival, please find your classmates in Studio I (small studio) and wait to be called by Tonya, our stage manager, to line up with your class.

The purpose of this rehearsal is to rehearse in real time, as if it were the Production. Most classes will only run their dance once, unless there are any problems, so this rehearsal will move VERY quickly. It is critical that you are on time and ready to dance. All dancers must be warm, which is why we ask you to arrive 20 minutes prior your call time to stretch.

Attire, Hair & Shoes

DO NOT WEAR COSTUMES TO THIS REHEARSAL Please send your dancers in the following attire:

* Black bottoms (either shorts or leggings) and a black top. If you've purchased a 10 year anniversary shirt, please wear your shirt to this rehearsal. Please do not wear your Production tights! If you do wear tights to this rehearsal, wear an old/backup pair so your Production tights stay clean for Production Day! Please come prepared with the appropriate shoes for each dance, as seen in the "Hair/Shoe Requirements 2019" document.

* No stage makeup required for this rehearsal. Please wear your hair as the "standard" style for the entire run-through.
