Scheduling

Students are to arrive at least 20 minutes prior to their scheduled rehearsal time for this MANDATORY REHEARSAL. We realize that your call time may interfere with your work schedules. We're hoping that with enough advanced notice, you are able to make arrangements for you and your dancers. We do our best to stay on schedule, so please plan accordingly. For some, this will be a long day, so please come prepared with healthy snacks and plenty of water!

Costume Requirements

This is a full dress rehearsal, so dancers MUST wear their costumes and full hair & makeup. Please arrive with hair/makeup complete and with the appropriate dance shoes for each costume (see *"Hair/Shoe Requirements 2019"* for more details). If your dancer has multiple dances/costumes, please pack them in the garment bag provided during costume distribution, and make sure your dancers stay organized during changes. Tights are required, but **please do not wear your Production tights!** We recommend wearing a backup pair for this rehearsal so your Production tights stay clean for Production Day! ****NO EATING IN COSTUMES.**

Theatre Policies

EVERYONE MUST ENTER AND EXIT THE THEATRE THROUGH THE ARTIST ENTRANCE. Nobody is allowed in the lobby during this rehearsal. NO food/drink permitted inside theatre, only in dressing rooms. Each dancer is limited to ONE parent/guardian at the theatre. If your children are not old enough to care for themselves during rehearsal, they must have a parent/guardian in the audience waiting for them. You are welcome to bring your cameras and recording devices, but note that these devices are NOT permitted during the Production. Once your rehearsal is over, please exit the theatre promptly, taking all of your belongings with you.
