***Standard hair*:** You'll notice that all dancers are required to wear their hair the same way for the entire Production. This choice is made for helping to eliminate distraction and stress (for both dancers and volunteers) during quick changes and for hair to look clean and secure the entire show. Please note which side your hair accessories are to be placed (see above). HAIRNETS WILL BE AVAILABLE FOR SALE IN STUDIO LOBBY. Same hair for Picture Day.

Shoes: We do not require you to purchase NEW shoes as long as yours are in decent condition. No stickers or writing on shoes. Colors and styles must match the above. If you need to purchase shoes, please send an email to dco.production@gmail.com so we can make sure they arrive in time for you to break them in prior to Production.

Makeup Requirements: Full stage makeup. See FAQ for more details. We do suggest full makeup for Picture Day and Production Day.
