Scheduling

Students are to arrive 10 minutes prior to their scheduled Group Photo Time. We will be on a very tight schedule so please pay attention to your dancers "ARRIVAL TIME" and plan accordingly. If your dancer is late, they will miss the opportunity to be in their classes group photo. For some, this will be a long day, so please come prepared with snacks and plenty of water! For dancers with multiple dances, you may utilize our waiting/changing zone over in SUITE H (at the end of our building) to wait, store your belongings, and change costumes. We will have garment racks set up.

Costume Requirements

Dancers MUST arrive wearing their costumes and full hair & makeup. If you are in multiple dances, please arrive ready and wearing your first costume at your arrival time. Please arrive with hair/makeup complete and with the appropriate dance shoes for each costume. If your dancer has multiple dances/costumes, please pack them in the garment bag provided during costume distribution, and make sure your dancers stay organized during changes. Production tights are required. We recommend purchasing a backup pair for this so your Production tights stay clean for Production Day! ****NO EATING IN COSTUMES.**

Studio Policies/Check-in

Students will check in at Suite H (at the end of our building). Parents are welcome to stay with dancers. If dancers are not old enough to care for themselves, they must be accompanied by a parent/guardian. We are not providing adult supervision in Suite H. Once it is time for your group, you will be escorted together down to Dance & Company to have your group photo taken. We ask that parents/guardians wait for your dancers outside the studio. If you have questions, one parent is allowed at a time in the lobby. We do ask that the studio remains a quiet and calm place for our dancers and photographer. Once the group photo is complete, dancers who are doing solo photos will take those immediately following. All others are free to leave.
