Scheduling

Students are to arrive at their designated "Call Time" (which is 20 minutes prior to their scheduled "Rehearsal Time") for this MANDATORY REHEARSAL. We will be on a very tight schedule so it is critical you arrive on time for your CALL TIME. For some, this will be a long day, so please come prepared with snacks and plenty of water! For dancers with multiple dances, you may stay backstage to wait/change in between your rehearsal times. *If you have back-to-backs, please don't worry. We will give you time to go change quickly.

Costume Requirements

This is a full dress rehearsal, so dancers MUST wear their costumes and full hair & makeup. Please arrive with hair/makeup complete and with the appropriate dance shoes for each costume. If your dancer has multiple dances/costumes, please pack them in the garment bag provided during costume distribution, and make sure your dancers stay organized during changes. Tights are required, but **please do not wear your Production tights!** We recommend wearing a backup pair for this rehearsal so your Production tights stay clean for Production Day! ****NO EATING IN COSTUMES.**

Theatre Policies

EVERYONE MUST ENTER AND EXIT THE THEATRE THROUGH THE ARTIST ENTRANCE. Nobody is allowed in the lobby during this rehearsal. NO food/drink permitted inside theatre, only in dressing rooms. Each dancer is limited to ONE parent/guardian at the theatre. If your children are not old enough to care for themselves during rehearsal, they must have a parent/guardian in the audience waiting for them. You are welcome to bring your cameras and recording devices, but note that these devices are NOT permitted during the Production.

***Once your dancer's rehearsal time is over, you must exit the theatre promptly (theatre policy).
