

Dance & Company's 16th Annual Summer Production 2025

"Sweet Sixteen"

PRODUCTION REGISTRATION INFORMATION

We are very happy to announce the details of our **16th Annual Summer Production**, scheduled for **Sunday, June 29th, 2025 at the Poway Center for Performing Arts!** Please read through this entire document to learn more about Production 2025, including registration dates, deadlines, fees and other exciting information. Production choreography will begin in January/February in all dance classes so it is important to keep absences to a minimum going forward. All classes participate in Production, with the exception of adult classes and Acro.

We will have 2 shows on Sunday, June 29th. *Most* dancers will perform in BOTH shows. Creative Movement, Toddler and Combo classes will only be in ONE show. Be mindful that if your dancer participates in more than one class at Dance & Company, he or she will likely be in BOTH shows. Dance & Company combines some classes of similar styles and levels for large group dances and "Suites." These dances will have combined rehearsals (mostly during regular class time) that will take place during the month of June leading up to the Production. More information will be released in early 2025.

Production Details | Fees | Commitment | Timeline of Events

Production Registration Fee - Registration Opens on Monday, December 2nd at 9am.

A \$160 Production Registration Fee (per performing student) will be due upon registration. *\$10 off for first 30 registrations.

**Registration closes on Friday, February 28th.*

The Production fee includes the following: All Production related rehearsals outside of normal class time (these occur during the month of June), one pair of Production tights to be worn with costume(s), a garment bag for your costume(s), an exclusive 16th Annual Production T-shirt to be worn during Production week, and the digital download of the professional video recording of Production Day (both shows). **The Production Fee is a one-time fee per performing student.** Costume fees are additional and are per dance that your child is participating in. Production fees increase as of January 6th to \$170 and again on February 3rd to \$180.

**We accept late registrations on a case-by-case basis, dependent on space and availability of costume(s) and at an increased Registration fee. Space is not guaranteed beyond Friday, February 28, 2025.*

Costume Fees + Tights

Creative, Toddler & Combo Level Performers: \$100+tax/costume

All other styles/classes: \$110+tax/costume

*Costume fees are **not** paid upon registration. They are posted to your portal in early March and auto drafted with your primary card on file on March 17th.* Each Production dance requires a separate costume. Parents who have multiple children, and/or who are in multiple dances, we are happy to work with you on a payment schedule. Please email dco.production@gmail.com to get set up on a payment plan no later than Friday, February 28th.

Tights: Each dancer will wear the same skin-toned tights throughout the entire show. These are included in the Production Registration Fee. **Exception: If you are *only* in the Ballet Suite (Ballet Intro and up, NOT Combo), you will only receive pink tights. Additionally, hip hop costumes WITH pants and our male dancers will NOT require/receive tights.* If you are in the ballet suite AND another dance, you will need both pink and tan. One pair is included in your Production fee and you will be charged for your second pair of tights (ranging in cost from \$12-\$14+tax). These will be automatically posted to your portal with your costume fees. **We highly recommend purchasing at least one additional pair of skin-toned and/or pink tights for backup; this can be done closer to Production Day.*

****Disclaimer: Production fees and costume fees are non-refundable. Once the Production Registration Fee has been paid, you are committed to participating in the show and committed to paying for your costumes. No refunds will be issued for any reason.*

Finale Info + Participation Fee (Optional)

The fee to participate in Finale is \$160 per student PLUS an additional costume fee at \$110 + tax. *Finale is open to all dancers, ages 8+.* Participation is optional and space is limited. Dancers must be at least 8 years old at time of registration. **Finale registration closes on Friday, February 28th OR when spaces fill up, whichever comes first. We always reach capacity, so sign up early.*

“What is Finale?” Finale is the “Grand Finale” dance of the Production; the very last dance of the show and an incredibly special process leading up to the show. The material will be taught via a mix of pre-recorded content, paired with several in-person rehearsals. Rehearsals will begin the weekend of April 25th/26th, with the full schedule to be released in January 2025. You can expect rehearsals to be a mix of Friday evenings and Saturday afternoons. The Finale is often a highlight of the Production for many dancers and is an incredible bonding experience, but we take your attendance and commitment *very* seriously. The Finale theme will be announced soon!
