### Scheduling

-Dancers are to arrive at their call time (10 mins prior to their performance time). Upon arrival, please check in at the designated "check-in area" (look for signs).

-The purpose of this rehearsal is to rehearse in real time, as if it were the Production. This rehearsal will move VERY quickly, so it is critical that you are on time and ready to dance. **One** parent may accompany their child to these run-throughs.

-Once your dance is released, you are free to leave. \*If your dancer is in more than one piece, and there is a short gap between their "call times", we recommend you stay on site or nearby. If there is a long gap (1 hour or more) between their "call times", we ask that you and your dancer leave and come back at their next call time, to avoid overcrowding. Your dancer only needs to be present for their class call time/performance time.

**DO NOT WEAR YOUR COSTUMES FOR THIS RUN-THROUGH** Instead, we ask that all dancers wear the following:

- Black leggings or black dance shorts.
- Production t-shirt (included with your Production fee - you will receive in June)
- Tights are optional, but please do not wear your Production tights.
- The appropriate shoes for each dance
- No dancers or parents may watch from the side door of the studio. We have to keep this area clear at all times for dancers exiting.
- See FAQ #40 for details on parking during these high traffic events
