Welcome to our quarterly newsletter! We hope all of you have had a smooth transition back to school and that your academic year is off to a great start. We are looking forward to another great season as we watch our dancers continue to build technique and grow.

Dancers back in school means more germs, so we ask that you keep your dancer home from class if they have any new or worsening symptoms of a cold or flu. Keep in mind we do have a lenient 30-day makeup policy in the event your dancer has to miss class. Email inquiries@danceandcompany.net to schedule your makeup classes.

Our fall schedule is now available on our website and we have a few new classes and schedule adjustments, so please take a moment to review the Fall schedule. We have also completed our class assessments/progressions; please email if you have any questions regarding class placement.

Thank you for reading our quarterly newsletter to stay up to date with all of our studio news!

- In addition to our Teen/Adult Basics classes, we have recurring 6 or 8 week sessions for adults in various styles. See our [Adult Sessions](#) page on our website for more info.
- As fall arrives and it begins to get darker earlier, please meet our younger dancers at the front door, so we don't have any crossing the parking lot at night. Thank you!
