Scheduling

Students are to arrive at their designated "Call Time" (which is 20 minutes prior to their scheduled "Rehearsal Time") for this MANDATORY REHEARSAL. We will be on a very tight schedule so it is critical you arrive on time for your CALL TIME. For some, this will be a long day, so please come prepared with snacks and plenty of water! For dancers with multiple dances, you may stay backstage to wait/change in between your rehearsal times. Dancers may also watch in the audience inbetween their pieces, so long as they are backstage and dressed for their next call time.

Costume Requirements

This is a full dress rehearsal, so dancers MUST wear their costumes and full hair & makeup. Please arrive with hair/makeup complete and with the appropriate dance shoes for each costume. If your dancer has multiple dances/costumes, please pack them in the garment bag provided during costume distribution, and make sure your dancers stay organized during changes. Tights are required, but **please do not wear your Production tights!** We recommend wearing a backup pair of tights for this rehearsal so your Production tights stay clean for Production Day! ****NO EATING IN COSTUMES.** Only water. **Label all of your items with your name for easy identification.*

Theatre Policies

EVERYONE MUST ENTER AND EXIT THE THEATRE THROUGH THE ARTIST ENTRANCE. Nobody is allowed in the lobby during this rehearsal. NO food/drink other than water is permitted inside theatre; only in dressing rooms. Each dancer is limited to ONE parent/guardian at the theatre. If your children are not old enough to care for themselves during rehearsal/breaks, they must have a parent/guardian in the audience waiting for them (you may also help them change costumes.) You are welcome to bring your cameras and recording devices for this rehearsal (no flash), but note that these devices are NOT permitted on Production Day.
