SCHEDULE CHANGES

✦ Our Summer/Fall 2026 schedule can be found [here](#). There are minimal changes overall, but if your dancer's class day or time has changed, we will reach out to you during the month of June to confirm the changes.

✦ We do use the summer months to evaluate dancers and make progression decisions based on age and ability. We will notify you individually if we have class adjustment recommendations for either the Fall 2026 or Winter 2027.

Dear Dance & Company families,

With our 17th Annual Production quickly approaching and summer just right around the corner, we would love to share details about what we will be up to this summer at Dance & Company!

Summer is the best time to build technique and to try new styles of dance. We welcome your dancer to use their make-up classes from our studio closure or vacation absences to try new classes. If you have any questions about appropriate classes for your dancer, please send an email to inquiries@danceandcompany.net, and we will get back to you within 24-48 hours.

With gratitude,
Ms. Katie & Ms. Lisa
